

TOP 10 HOMESCHOOL TIPS FOR PARENTS

1. FOCUS on praising learner's EFFORT **not ability** as a MOTIVATOR 
2. ASSIST learners to understand the PURPOSE (why) **before the what and how** of the task or assignment
3. RELY on **fostering** INTRINSIC MOTIVATION **rather than on extrinsic motivators** 
4. BLURR **the lines of success and failure** for a GROWTH MINDSET **to develop**
5. EMPOWER learners by ENCOURAGING **and ensuring** SELF-EVALUATIONS 
6. SHOW **authentic enthusiasm when** ENGAGING, **offering** SUPPORT, **or** CLARIFYING **the learning process** 
7. POSITIVE ATTITUDES WILL SUCCEED: **Help learners understand the power of** POSITIVITY, GRIT (**perseverance and stamina toward long-term goals**), and RESILIENCE (**capacity to make meaning and use of setbacks while recovering quickly to move on**) 
8. ASSUME POSITIVE INTENTIONS **when learners** CONNECT **and/or** EVALUATE **learning to real-world applications**
9. ENCOURAGE **use of** METACOGNITIVE **strategies such as verbalized** THINKING (**thinking outloud**) 
10. REFLECT: **Have learners reflect on the process(es) used to learn as much as what is learned** 

A SUCCESSFUL LEARNING EXPERIENCE BEGINS WITH AN ENGAGING CULTURE OF THINKING AND FEELING!
