

HOW TO USE THIS TICK/TICKED OFF CHART

Let's face it, 2e adults are passionate, caring and sensitive people. As with all gifted and 2e beings, you can be INTENSE in the very best ways and the intensity can cause pain, annoyance and frustration.

Use this Tick/Ticked Off Chart to catalogue what makes YOU tick and what ticks YOU off! Realizing your strengths and struggles allows you to make the most of your true organic selves and to address the things that mean the most to you.

Note that the first worksheet asks you what makes you tick and what ticks you off about certain things: life, work, friendships, etc. The second page asks you to fill in how YOU affect these things. For page 2, ask yourself, "How do I positively/negatively impact..."

Simply going through this exercise will bring knowledge to the forefront of your mind and help you understand why certain things are hard and others bring you joy.
